# Rajat Singh

Lucknow, Uttar Pradesh

Motivated and detail-oriented Frontend Developer with hands-on experience in HTML5, CSS3, JavaScript, and modern frameworks like Tailwind CSS and React. Proven ability to design and build responsive, accessible, and performance-optimized web interfaces. Former System Engineer with strong problem-solving skills, technical troubleshooting, and collaborative experience in enterprise environments. Eager to contribute to dynamic development teams and grow in a full-stack or frontend development role.

---
